

Insulated Rubber Blankets

*Tested by NAIL
Approved
Laboratory*

USRB

Utility Solutions blankets meet or exceed all applicable ASTM D-1048 performance criteria. All blankets are Type II, manufactured from EDPM to provide maximum resistance to ozone damage. All blankets are Style A and free from any internal reinforcement for maximum flexibility. Utility Solutions blankets are molded in high visibility yellow color and every blanket is tested at an independent NAIL certified laboratory to assure highest quality.

EVERY blanket is tested and date stamped prior to shipping.

	CLASS	SIZE	DESIGN	NO. EYES	EYE DIAMETER	WEIGHT
USRB-36-6-SLD	4	36" X 36"	solid	6	.375"	8 lb 4 oz
USRB-36-28-SLT	4	36" X 36"	slotted	28	.375"	8 lb 4 oz
USRB-22-28-SLT	4	22" x 22"	slotted	28	.375"	2 lb 8 oz

HOW TO ORDER:
